

Word of Life Statement of Faith

1. We believe that the Scriptures of the Old and New Testament are verbally inspired of God, and they are without error in the original writings, and they are the supreme and final authority for faith and life.
2. We believe in one God, creator and sustainer of the universe, Who is eternally existent in three persons — Father, Son, and Holy Spirit.
3. We believe in the Deity of Jesus Christ, His virgin birth, sinless life, His death to pay the penalty for everyone's sins, His bodily resurrection, His exaltation at God's right hand. We believe Christ will take His Church to heaven before the seven-year tribulation, after which He will physically return to earth to establish his 1000-year-reign prior to the new heaven and new earth.
4. We believe that all have sinned and are therefore guilty before God and are under His condemnation.
5. We believe that all who by faith receive Jesus Christ are born again of the Holy Spirit, therefore children of God and eternally saved, and that the Holy Spirit dwells within every believer to enlighten, guide, and enable the believer in life, testimony, and service. We believe that God answers the prayers of His people and meets their needs according to His purpose.
6. We believe that God gives spiritual gifts to all believers for the building up of the body of Christ. However, the miraculous sign-gifts of the Spirit, such as tongues and healings, were limited to the early church. We also believe that God may miraculously intervene in the affairs of humanity anytime to accomplish His purposes and to manifest His glory.
7. We believe in the bodily resurrection of the just and unjust, the everlasting blessedness of the saved in Glory and the everlasting conscious punishment of the lost in hell.
8. We believe that all believers are called to a life of separation from all worldly and sinful practices and alliances.
9. We believe that from the beginning with Adam and Eve, God ordained marriage as only between one man and one woman. All sexual activity outside of this biblical definition of marriage, including homosexual practices, is in direct contradiction to God's Word and His intention for the institution of the home.
10. We believe that God wonderfully and immutably creates each person as male or female for His glory. These two distinct, complementary genders together reflect the image and nature of God, and the rejection of one's biological gender is a rejection of God's decreed will and good plan for humanity and the individual.
11. Since every person is uniquely created in the image of God and formed by God, we hold to the sanctity of all human life. Since the Bible reflects that life begins at conception and lasts beyond death into eternity, God calls everyone to value, respect, defend, and protect all human life regardless of age or condition.
